

Dear Pastor, Paz de Cristo!

3/16/11

We greet you in the name of the Lord Jesus Christ. This letter is to inform you of the progress of some of our missions.

In recent months, we have visited the countries of Mexico, Costa Rica, Honduras and Haiti. We thank God for everything he is doing in all our mission fields. Costa Rica as well as Honduras celebrated conventions. Pastor Mauricio Chacon was elected as president in Costa Rica.

"Until the Whole World Hears", is our new promotional campaign for International Missions. We are inviting you to dedicate Sunday, April 17 to motivate the church to focus on missionary work. Together with the Women's Auxiliary, we have set the goal of \$ 1,500,000 for Flor Azul for this year.

"Flor Azul" is the annual Women's Auxiliary's missionary project. However, with the "Faith Promise" campaign, this offers the entire church the opportunity to join this worthy cause. These two projects complement each other and work hand in hand. In October, the funds from "Flor Azul" and the pledges from the "Faith Promise" will be joined together in a single fund, "Flor Azul". We believe that united, God will allow us to surpass the goal of 1.5 million for the missionary field. With God's help, the "Flor Azul" and the "Faith Promise" campaign will help us achieve our goals and more.

Additionally, we have included a packet with more detailed information on how to implement this plan along with "Flor Azul", which has the same purpose of helping International Missions. We have included digital versions of the information (we have international presentations from the Secretariat of International Missions and our missionaries on PowerPoint), so you may show the church what we have proposed for this year's work. Please review this information carefully and share it with your church. Together, we will reach our goal.

I ask that you continue praying for us and the missionaries. Especially pray for Haiti. After less than a year the church has 75 members. God bless missionary Ramon Herrera and his family.

Secretary of International Missions
